COMMUNICATION REGARDING AFTER-FINAL RESPONSE

Dear Sir:

This is a communication to notify the USPTO that the undersigned has discovered that the Reply To Final Office Action and the Notice Of Appeal And Petition For Extension Of Time recently submitted contained an inadvertent error in identifying the date of submission. The correct date of these two papers is October 5, 2005, as identified in the certificate of mailing for the Reply To Final Office Action and reflected in the request for a one-month extension. The month identified by the signature lines for both papers as well as in the certificate of mailing for the Notice Of Appeal And Petition For Extension Of Time was inadvertently misidentified as "September" rather than "October".

Respectfully submitted,

Date: October 27, 2005
